*Song: Call Me Maybe by Carly Rae Jespen*

**LYRICS**

**DANCE MOVE**

I know my teacher real well  
It's time for our show and tell  
First we must do DOL  
Get it out of the way

[point at teacher]  
[presentation hands]  
[squiggly finger vote]  
[two-handed swish away]

I shoot the ball for a swish  
I found a snake and it hissed  
Being in 4<sup>th</sup> is pure bliss  
Don't get in our way!

[air shot]  
[two-handed snake slither]  
[4 and a heart]  
[wag finger]

Our brains are growing  
Eat greens  
Class is glowing  
Spotlight  
Mind is flowing

[hands to head expand out]  
[fork motion]  
[wide hands around face; swaying]  
[...]  
[...]

Where do you think we're going, baby?  
[shrug shoulders; hands out]

**Hey, I see you're new**  
**And, we're not lazy**  
**We eat cucumbers**  
**And carrots, maybe**

[wave]  
[hands on hips; shake head no]  
[fork motion]  
[shrug shoulders/I don't know motion]

Not hard to get right  
I get it, baby  
I'll write my number  
Call on me, maybe

[wag finger]  
[tap head]  
[finger count down 3,2,1]  
[raise hand]

**Hey, I see you're new,  
And, we're not lazy  
We eat cucumbers  
And carrots, maybe**

[wave]  
[hands on hips; shake head no]  
[fork motion]  
[shrug shoulders/I don't know motion]

Prize box is full of toys  
Try to trick me  
I've got the number  
So call me maybe

[hands raise from waist to shoulders]  
[hands on hips]  
[thumb to self]  
[...]
