What I like the least about math is _____

My favorite class or subject is _____ because _____

General Information

After-school activities/clubs/sports/jobs/responsibilities: _____

Interests/Hobbies: _____

One thing most people don't know about me that makes me unique is _____

Important Information (like sight or hearing problems, individual help needed, etc...): _____

* * * Signing below tells me that you have read the attached syllabus/rules and expectations * * *

Student Signature: _____ **Date:** _____

Communication is important. With that in mind, I will be using the **Remind** program/app to send out class reminders for upcoming tests and/or special projects. You (*and your guardians*) are welcome to sign up by email address or phone number. You can unsubscribe from Remind at any time, too.

To sign up you can type into any internet browser: remind.com/join/ and then put in the class code which is the period number followed by –myers. If you are in my 5th period class you would use: 5-myers

You can also sign up by texting the same class code with an @ in front of it to the number 81010. For my 5th period class you would text: @5-myers If anyone has trouble texting to 81010, try texting the same code to (931) 210-6507. Helpful hint: I do not have a 5th period class so don't use a "5".

Parent/Guardian Information

Name 1: _____ Relationship: _____

Name 2: _____ Relationship: _____

Primary phone number: _____ Secondary phone number: _____

E-mail address: _____ Best way to reach you: _____

Does your young adult have internet access at home? Yes No (circle one)

Please list any concerns, suggestions, or general comments about this course and the performance of your young adult: _____

Please understand that a parent/guardian's support is extremely important in helping a student succeed in high school. I encourage you to check Home Access Center often and to take notice of absences.
